

Summer Camp 2009

The Office of Community Programs offers a summer camp experience for those who have completed kindergarten through those who have completed fifth grade. **The camp will be located at Lawrence Brook School located at 48 Sullivan Way.** The camp will offer an inclusive environment designed to ensure each camper a safe and enjoyable experience. All of the camp activities have been selected to provide opportunities for children to participate, build new skills, form friendships, and gain self-confidence. Qualified staff and a wide range of activities will provide developmental structure for social, physical, and personal skill development.

Only children registered and paid may attend the program.

Each participant must be signed out by the custodial adult at the end of each day.

A healthy snack will be provided.

Withdrawal from the Program

Should withdrawal from the program be necessary, written notice must be sent to the Office of Community Programs.

Fees

Non-refundable registration/bookkeeping fee per child \$35.00

A fee of \$20.00 will be charged and is due in money order form for each returned check.

Receipt

Your cancelled check is proof of payment.

Absence

No credit or refund is given for days absent.

EB Summer Camp 2009

Clay Animation:

Did you ever wonder how those clay figures were created for cartoons and movies like Wallace and Gromit?

Well, wonder no more,

our Clay Animation course will uncover the secrets to bringing clay figures to life. Students working in teams will write a script, create their own clay characters and background scenery, produce stop motion animation images and then combine all of this work as the movie is transferred to the computer, edited and prepared for viewing. Participants will create a copy to take home to share with family and friends.

Go Green and Get SMART:

Learn how to draw the easy KidzArt way! All this and more while learning a little about famous artists along the way. Use everyday materials to create fabulous works of art. Plus a few FUN surprises like drawing on *elephant paper*! Learn how to draw a car of the future and find out exactly what makes it run. Create unique mixed media

pieces with found, unusual and recycled materials and assembled with imagination.

MAD Science:

- Rocketry & Flight
- Earth's Amazing Wonders
- Waves & Wind
- Predators and Prey
- Shocking Science
- Science of our Senses
- Shake it Up

Fun Fitness: Children will learn about respect, being a good listener, being kind to others and the basic fundamentals of karate. In the soccer segment children will learn the importance of team work, team building and

good sportsmanship while having fun playing soccer. Curriculum will be adopted to meet the physical development needs of the students.

Gymnastics: Tumbling, Trampoline and Climbing is an off-site gymnastics activity. Instruction will include trampoline, tumbling and vaulting skills. Plus uneven, parallel bars and balance beam skills for girls and high bar, parallel bars and ring skills for boys. Children age

6 and up will enjoy the rock climbing program with knot tying, climbing commands and safety practices.
