

Global Connect: Sunday, June 20, 2009

*Good evening parents. This is Mr. Gaskell the principal of Hammarskjold with some important announcements to share with you.*

*If you are a 6th grader, please be advised that the last two days of school at Hammarskjold will be a single session schedule with no lunch, ending at 12:30 on Tuesday, June 23 and Wednesday June 24, 2009, 2009.*

*Also to all students attending Hammarskjold next year: please note that if you are planning to buy school supplies, you do not have to worry about getting everything done this summer. The school store offers a comprehensive package at reasonable cost for all of your school supplies and will be available during the first week for school supply sales specific to your child's house and other subject area supply needs. Supplies will not be due until the second week of school. Items for sale include all needed on the supply list, with the exception of student calculators.*

*At this time of year, we often receive requests from parents regarding placement of your child with specific teachers or children. Please know that while we make the best attempt to align your child's learning needs with the best sequence of teachers, we cannot guarantee placement of children with specific students or teachers. We will take every request into consideration but given size and scheduling challenges, honoring many of these requests is simply not possible.*

*I want to wish everyone a restful and healthy summer and wish you a safe return to Hammarskjold in September.*

*Thank you, and good night.*
