Dear Parents and Guardians,

We are very excited to offer both breakfast and lunch through a pre-ordering system for pre-k students. The meals offered to the students will meet the USDA Child and Adult Care Food Program (CACFP) nutritional requirements.

Breakfast will only be offered for those ELA children attending the Early Morning Program.

**Breakfast and Lunch Pre-Order Process**

If you choose to purchase breakfast and/or lunch for your student please visit:
   
   www.ebnet.org/ela
   
   -scroll down to the "Breakfast and Lunch Ordering System"

These forms must be completed by the preceding Thursday evening to order for the following week. Your selection for the entire week is made on this one form. Please note you can order for as many days you like.

Breakfast will be brought to the ELA Early Morning Program promptly at 7:45 a.m.
Lunches will be delivered to the classroom.
**NutriKids Point-of-Sale System**

The Pre-K meal order system will be a **NO CASH** process. Students must have money in their NutriKids account to place orders. Please read the following information carefully:

- Parents/Guardians may utilize the **online payment method**. In order to deposit funds into the account, parents/guardians must create an online account for each child at www.myschoolbucks.com and follow the procedures. You will be required to supply your child’s student identification number and the first initial of the student’s first and last names. There is a transaction fee of $2.49 that is collected to use this method of payment.

- You can also add money to your child’s account in the form of a check made out to East Brunswick Public Schools. Please mail in or bring the check directly to the Child Nutrition Office located at the Administration Building.

- **CASH PAYMENTS WILL NOT BE ACCEPTED**

**Food Allergies and Special Dietary Needs**

Food allergies and intolerances are increasing among our nation’s children. We ask you to let us know if your child has any special dietary restrictions, including allergies or diabetes and we will make every effort to accommodate your individual needs. If you have specific allergen questions please contact the Child Nutrition Office.

In closing, welcome to the 2019 Early Learning Academy at Hammarskjold. If you have any questions, comments, or concerns about the Breakfast or Lunch Program, please feel free to contact the Child Nutrition Office at 732-613-6718 or email childnutrition@ebnet.org and I will be more than happy to assist you.

Thank you for your support and cooperation. We look forward to an exciting new school year!

**Michael Capobianco**
