

2023 Partner in Excellence

Douglas Schorpp

Doug Schorpp has previously been Vice President of the East Brunswick Education Foundation and has served on the Board of Trustees since 2008. Doug participated in the fund raiser for the EBEF, Celebrity Dance Off, and his dancing has never been better! He is very grateful for this recognition he is receiving from the East Brunswick Education Foundation. Doug has been a lifelong resident of East Brunswick, graduating from East Brunswick High School in 1982. Doug gives credit to EBHS for the greatest thing that ever happened to him. He met his wife, the former Liz Jasper, in 10th grade Geometry class. Along with meeting his wife at EBHS Doug raised his three kids in town, Mike, President of Trashpac, Cara, a NICU nurse at St. Peters Hospital and Matt who is an ER/EMT tech in San Antonio, Tx. Liz's dad, Dino Jasper spent over 25 years as a teacher at EBHS and Doug's father was a Captain with the East Brunswick Police Department for over 20 years.

Doug received a Bachelor of Science Degree in Electrical Engineering from the College of New Jersey. His first job out of college was with the US Steel Corporation. After US Steel he opened what was to become the first of three businesses Doug started in East Brunswick. Many of you have visited the Paterson Bird Store which all the longtime residents know as the Movie City 5 Shopping Center. While owning the Paterson Bird Store Doug took employment as an equity trader in NYC specializing in trading NASDAQ stocks. Doug was a student of the financial markets and bought his first stock at the age of fourteen. The love of the financial markets and the desire to help people brought him to his next endeavor in East Brunswick.

Doug has been the president of Schorpp Capital Management, an investment management and financial planning practice, for over 20 years. His office is located at 1200 Tices Ln. in East Brunswick. He serves many of his friends and acquaintances as their financial advisor. Doug and his son Michael recently started a new business located in East Brunswick called Trashpac. Check out this new and innovative technology at www.trashpac.net. Doug always says that the East Brunswick Education Foundation is one of the best things about East Brunswick. Supporting these great schools is a worthy endeavor.

He is saving the best for last. Doug loves to spend time with his two grandkids, Althea 5 years old and Odin who is one. They are the light of his life! He will always be thankful for the public school education he, Liz, his kids and now his grandkids will be receiving. He wants to thank everyone here for supporting such a worthy cause as the East Brunswick Education Foundation.
