

# Change your email screen FONT, SIZE or STYLE

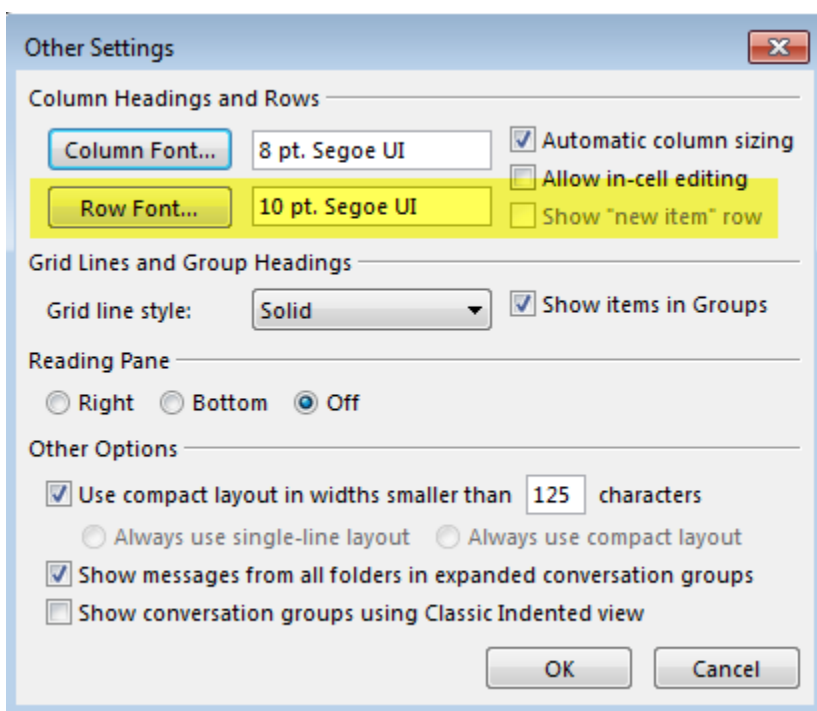

1. In Mail, on the View tab, in the Current View group, click View Settings.

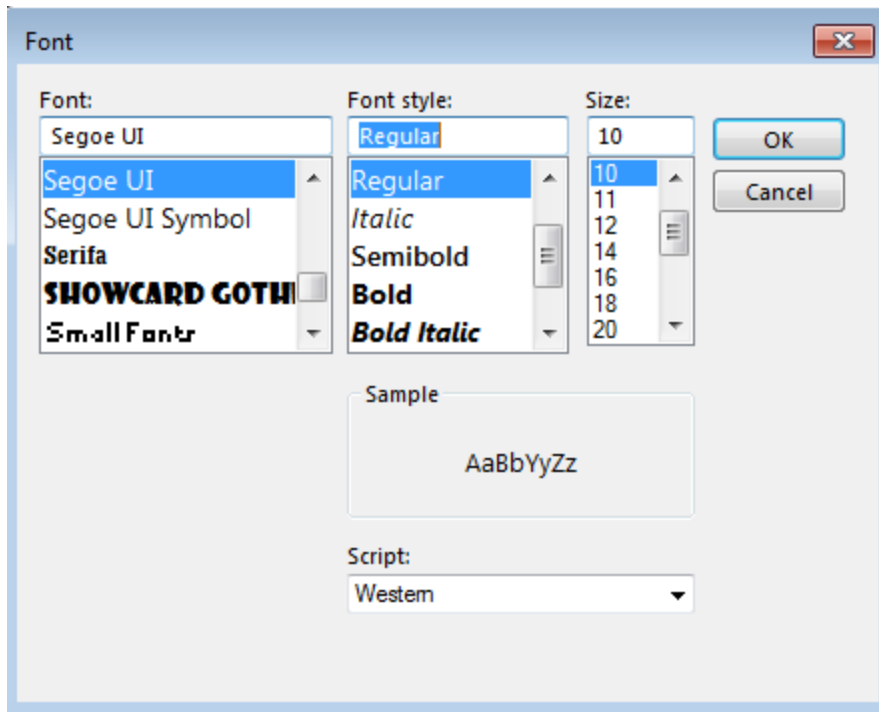

2. Click Other Settings.

3. Under Column Headings and Rows, click Row Font.

4. In the **Font** dialog box, click the font, font style, and size that you want to use.

5. On the **Font**, **Other Settings**, and **Advanced View Settings** dialog boxes, click **OK**.
