THE CHURCHILL NEWS NETWORK

NEWS YOU CAN USE

In preparation for upcoming book clubs, students in Ms. Ramsen's English class generated a list of tools and tips that can be used to become confident independent readers. The students then explored three different engagement strategies to utilize while reading their novels. After learning about the strategies, students worked in partnerships to explore one of the three strategies using various picture books.

The Churchill Advanced Orchestra gave a tremendous performance at the NJ Music Educator's Convention this past Thursday, February 21 at the Hilton Hotel in East Brunswick. The program included two student composed pieces by 9th graders Emily Ta and Amy Xu.

Check out their performance by clicking here:

Counselor's Corner

- We will be hosting Coffee with a Counselor in the end of February early March! The next topic will be social media, feel free to pop in! Details to follow!
- Groups are underway, please remember to check your mailboxes for appointment slips.
- Counselors are meeting with students for scheduling, please make sure students receive appointment slips!
- Churchill Study Help is up and running after school in the Media Center Tues & Thurs!! If you have any students who could use extra help, please feel free to refer them to the program or let their parents know we are available!
- We are looking for professionals interested in participating in Career Day fair on March 19th. Please contact Stephanie with any possible candidates.

Podcast Professional Development

Follow the link: goo.gl/XyquWV and click on "Play Episode."

Things to think about:

- What struck you about this episode? Have you been feeling this in the month of February and March?
- What other strategies would you share with a colleague to avoid burnout?

If you want to learn about more Podcasts you can use for Professional Development, sign up for the After School PD on March 5th in the catalog!
