Important Information - Student Devices

Good afternoon, this is Dr. Vinella, Principal of EBHS. I am calling to inform you that if you submitted the online Student Information Forms in the Parent Access, your child received a district-issued laptop device in school today. If for any reason he/she did not receive a device, he/she will during period 2 tomorrow.

If you did not complete the online forms, and wish for your child to receive a device, please visit **Parent Access** and submit the online Student Information Forms. Once submitted, your child may visit the Genius Bar in the EBHS Media Center to receive a district-issued laptop device.

If you originally opted out, but would now like for your child to receive a laptop, please call 732-613-6909.

East Brunswick Public Schools has partnered with **Safeware** to provide a comprehensive protection solution for your student’s device. If you would like to purchase yearlong insurance for $23.13 follow the steps below:

You will receive a separate communication this evening with your child’s device serial number or it can be found on the back cover of the Lenovo ThinkPad.

Please be reminded that your child may always visit the Genius Bar in the EBHS Media Center for tech support. You may also visit **East Brunswick 1 to 1 Device Initiative** for additional information. Thank you for your patience as we roll out this exciting learning enhancement for our students.
