March 17, 2020

EBHS Students,

Good morning and I wanted to thank you for a great first day of distance learning. Today will be a B Day with periods 5/6/7-12 and we will again begin at 9AM. Make sure you are logged in to each class on time and actively participating. As you enter the Canvas classroom view the teachers announcement and review the calendar of events to help you get started.

Keep in mind teachers and counselors are also holding office hours prior to the start of class. You can use those to get more individual support should you need. Finally, make sure to continue checking your email multiple times during the instructional day as this will also be a critical area for important communications.

You guys are doing great and together as a community we are all going to get through this successfully. This too shall pass and we will eventually return to normalcy.

Finally, EBHS will be open today from 3-6PM should you need to pick something up. In addition, the Genius Bar will be open should you have an issue with your computer or need technical support.

Be safe and be well,

Dr. V.
