Summer 2019

Kindergarten Readiness Academy
and
Summer Early Learning Academy

The summer *Kindergarten Readiness Academy* is designed to provide students entering kindergarten with access to quality programming prior to kindergarten. Participation in this program will focus on essential kindergarten skills. In addition, cooperative play and having fun are at the core of the program. *Kindergarten Readiness Academy* continues to develop essential kindergarten skills that are aligned with the East Brunswick Kindergarten curriculum. Additionally, our program enables us to provide comprehensive transition information for children to their home school.

The *Summer Early Learning Academy* will offer a fun-filled summer care program for 3 and 4 year olds who will not be entering Kindergarten in September of 2019. Activities and themes are designed to promote children's social and cognitive development.

Students will engage in coding, music, sports and other fun learning activities. Both programs will also concentrate on closing the learning gap that research shows traditionally occurs over summer months.

It all begins at the Kindergarten Readiness Academy!
