Joining Cub Scouts is a great way for boys and girls to make friends, learn skills, have fun, earn awards, and help our community. Come meet some of our leaders, and while the kids have fun making a craft, learn more about signing up your child as a Lion Scout (kindergarteners in September).

Now is a great time to find out if this activity suits your child. Any interested students in grades K-5 are also welcome to attend, and everyone is welcome to stay for our Campfire meeting at 7pm.

Upcoming outings include:

Family Camping Trips in June & September with BB, Archery & Hiking
Lakewood Blueclaws Baseball Game & Overnight
Milltown Independence Day Parade
Family BBQ
Middlesex County Earth Center
Moulder's Fishing Preserve

(And more fun activities this summer!)

Cub Scouts is a non-profit organization which instills character development, citizenship, fun, adventure, sportsmanship, service, respectful relationships, and personal achievement. We'd love to show you how. Contact Cubmaster Kimberly Paone at pack223ebnj@gmail.com for more information.
