The East Brunswick Public School District offers General Education Inclusive Preschool classes. This preschool program is open to all three and four-year-old children who reside in East Brunswick. Children must be three years of age by October 31st, 2023, and not age eligible for kindergarten (5 years of age by October 31st, 2023) in order to participate in the program in September 2023. If your child is selected for the program, please remember that your child must be 3 years old to participate in the program.

The classes are taught by certified teachers and supported with paraprofessional aides. This fee-based program is five days per week and follows the ten-month school calendar. Both AM and PM sessions are available. Fees are not assessed for families who are eligible for free and reduced lunch. Information on eligibility for free and reduced lunch and the application is available on the district website at www.ebnet.org/preschool and at each elementary school. **Transportation for this program is the responsibility of the parent/guardian.**
