**COMMUNITY PROGRAMS**  
Expanding Excellence in  
Academics, Athletics, and the Arts

## Virtual Early Learning Academy Preschool

The Virtual Early Learning Academy Preschool is designed to provide preschool students access to quality programming through a virtual platform. Participation in this program will focus on the following essential areas of development:

- ◆ Social-Emotional Development
- ◆ Language and Literacy
- ◆ Mathematics
- ◆ Science
- ◆ Physical Development (Gross Motor & Fine Motor)

Teachers will utilize Creative Curriculum, Foundations and supplemental activities that are aligned with the East Brunswick preschool & kindergarten curricula. Students will engage in **daily on-line interactions** and daily activities will be provided related to curriculum, pre-reading and reading skills, math concepts, science, physical activity, and social-emotional development. The program will help to maintain a daily structured routine, continued educational programming and **quality interactions to support learning at home**. Included in tuition will be “specials” such as science, music, cooking, sports and other fun learning activities. Programs will include 90 minutes per day of interactive learning primarily between **9:30 –11:00 a.m.**

Monthly Fee: \$270

Registration Fee: \$25

*If any family is unable to participate in a specific vendor or instructor interactive program due to internet connectivity issues at home, refunds/makeups cannot be provided.*
