Dear 6th Grade Orchestra Parents and Students,

In order to prepare for the Hammarskjold Upper Elementary School Orchestra (HUESO) Concerts, it is necessary to schedule several after school rehearsals. All rehearsals will be for specific instrument groups in the Hammarskjold orchestra room. If the rehearsal is after school, late bus passes will be given, and students may also be picked up by an approved parent or guardian at the conclusion of rehearsal. Parents must provide a ride for students who attend before school. Students receive extra credit for attending these rehearsals, but rehearsals are not mandatory.

If your child plays violin, they know which assignment they have for the concert (Violin 1 or Violin 2). Should you have any questions, please contact me.
