Dear Parents and Guardians of Rising 7th Grade Students,

The Churchill Junior High School Administrative Team, Curriculum Supervisors, and Student Services Department Staff would like to invite you to a *Rising 7th Grade Parent Information Night* on Monday, December 18th from 6:30-8:00 PM in the Churchill cafeteria. This informative evening is intended for parents and guardians of current 6th grade students who will be rising into 7th grade for the 2024-2025 school year.

What information will be covered?

Our goal is to provide you with an introduction to Churchill Junior High School as well as:

- Introduce important staff members
- Review the schedule format for the 7th grade year
- Explain timelines for making course selections for next year
- Provide an overview of the 7th grade curriculum
- Provide an opportunity for question and answer with curriculum supervisors
- Review extracurricular club and athletic programs that are available at the school
- Provide a guided tour of the building

Where can I park and enter the building if I am planning to attend?

Parking is available in our two lots off Norton Road – one in front of the main office and the second located up the hill in front of the north building. In addition, parking is available on Norton Road. Please enter the building through the entrance located at the top of the steps in front of our cafeteria.

We value the home-school connection and look forward to continuing to communicate with you in the future as your student transitions to Churchill Junior High School. We hope that you join us on Monday, December 18th to learn more about the programs we offer at Churchill Junior High School.

Sincerely,

Matthew N. Hanas
