

## **Unit 1 Part 2: Data Displays and Number Systems**

### **1.10: Introducing Integers**

Tutorial: [Khan Academy Intro to Negative Numbers](#)

Tutorial: [Khan Academy Classifying Numbers \(Whole, Integers, Rational\)](#)

Online Lesson: [Understanding Integers](#)

Game: [Classifying Numbers](#)

### **1.11: Building a Number Line Using Fractions**

Tutorial: [Khan Academy Fractions on a Number Line \(very basic\)](#)

Tutorial: [Different Methods for Comparing Fractions](#)

Game: [Puzzle Pic Fractions \(Dragging Fractions to a Number Line\)](#)

### **1.12: Finding Fractions between Fractions**

Practice with Answer Key: [Fractions Between Fractions with the Same Denominators](#)

Tutorial: [Fractions Between Fractions with Different Denominators](#)

### **1.13: Locating Negative Rational Numbers on a Number Line**

Tutorial: [Fractions on a Number Line with NEGATIVES](#)

Tutorial: [Placing Negative Fractions on a Number Line](#)

### **1.14: Plotting Ordered Pairs in Four Quadrants**

Tutorial: [Plotting Points](#)

Game: [Locate the Alien with an Ordered Pair](#)
