Dear Driving Student and Parent/Guardian:

It has been determined for the health and safety of the student involved, that any student who drives to school and is determined to be too ill to remain in school (by the nurse), **must** be picked up by a parent or person listed on their emergency contact form and **will not** be permitted to drive themselves home.

We appreciate your understanding as we mutually continue to look out for the best interests of our students.

Sincerely,

Michael W. Vinella, Ph.D.
