

Arrival:

School starts at 9:00 a.m. Students may arrive between 8:55 and 9:05 a.m. All students should be dropped off in the rear of the building. Following the loop, parents must pull up to the back door and let their child out on the curbside. Students should be seated on the passenger side of the car. Do not park and get out of the car. Staff members will be available to help the children out of the car. If you need to get out of the car, please find an appropriate parking space in the main parking lot and bring your child in through the front door. Children may not play on the playground without adult supervision. The safety of our students is our top priority!

Dismissal:

At 3:35, bus students will be escorted onto their buses and students attending ASK (after school programming) will be escorted to the gymnasium. All students who walk or drive home will be dismissed from the back doors of the school onto the playground area. Parking for dismissal is available in our main lot and around the loop. Please contact your child's teacher for specific dismissal procedures. Children may not play on the playground without adult supervision. The safety of our students is our top priority!
