

Frost School Arrival and Dismissal Procedures

Arrival

Students arriving by **bus** will be supervised in the All Purpose Room until 9:00. At that time they will be escorted to their classrooms.

Students who walk or are driven to school will enter through the main entrance.

When dropping students off please pull up as far as possible in front of the building in order to accommodate as many cars as possible. Please stay in line and move up only when the car in front of you has moved. This is for **safety** reasons.

Students are to arrive at school between 8:50 a.m. and 9:05 a.m.

Dismissal

Students who take the **bus** home will line up according to their bus number in the APR.

Bus students are escorted to their bus by safety patrol students, supervised by staff.

All “walkers” are dismissed from the front entrance of the school.

Students who are walking home must use the sidewalk closest to the building. **All students, parents and guardians should proceed to the crosswalk and crossing guard when crossing on Frost Avenue.**

Students being picked up in the car line will be lined up according to grade level.

Cars stay in line and move up only when the car in front has moved.

Do not double park or pass another car.

When the student’s ride arrives, he/she walks to the door of the vehicle when directed by the staff members on duty.

Once loaded, cars move forward and around the cul de sac.

In order to ensure the safety of our children it is imperative that parents/guardians follow the above procedures.
