

Lawrence Brook School Arrival and Dismissal

Morning Drop Off

ALL students, not riding a bus, enter the building through Door 2, which is next to the main entrance.

The car line drop off is at the front of the school. It is for drop off only. Cars must enter (one way) from Sullivan Way and exit right onto Corona Rd. Left turns on Corona Rd. are not permitted from 8:30 - 9:30 AM and from 3:00 - 4:00 PM.

Staff members will be on duty to make sure students exit the car and enter the building safely. This is a fire lane, which means no parking or standing is permitted. This is a drop off area only.

Parents walking their student to the door should park on Sullivan Way, Gage Rd. or Corona Rd. and escort their child to door 2. There are crossing guards at both the Sullivan Way entrance and the Corona Road exit so walkers can come safely to door 2.

Dismissal

Students in grades PK-2 will be dismissed from Door 2 by the main entrance. Parents should park on Sullivan Way, Gage Rd. or Corona Rd.

Students in grades 3 and 4 will be dismissed through the 4th grade doors on Sullivan Way. Students in grade 5 will be dismissed through the 5th grade doors on Sullivan Way. Older siblings can meet younger siblings to be dismissed together at Door 2.

Mid-day Pre-K Pick Up at 11:50 and Drop off at 12:50

AM Pre-K and ELA students will be dismissed from the door on Corona Road at 11:50 AM.

PM Pre-K and ELA students will be dropped off at the door on Corona Road at 12:50 PM.

We appreciate your assistance with these procedures so we can continue to ensure the safety of our students, parents and staff.
