

EAST BRUNSWICK EDUCATION ASSOCIATION
Educational Support Professional Council

**GIVE A LITTLE
COMFORT FOR
THOSE IN NEED!**

**MAC N'
CHEESE
FOOD DRIVE**

donation boxes will be located in the foyer of all schools

Donate a box of
MAC & CHEESE
please!

MAY
3rd - 14th

Thank you to the
EB VFW Post#133
for partnering with EBEA
and the
East Brunswick Public
Schools

The EBEA Educational Support Professional Council (ESP Council) is doing what they enjoy doing...*helping others*, and this time they are looking for your participation.

The ESP Council is holding a Mac N' Cheese Food Drive that will “*give a little comfort to those in need*”. And what better way than with a comforting, warm bowl of macaroni and cheese.

Donations will be collected and distributed by our ESP Council to those families in our district that can use a lunch or snack during the summer months when schools are closed.

So, let's help our community...

*Make some MACARONI N' CHEESE please,
Please help us give some macaroni n' cheese.
It's nice and cheesy, and really pretty easy,
so please help us give others some macaroni n' cheese!*

What type of donations are being accepted? Any type of prepackaged (non-perishable) macaroni and cheese.

Where can I donate? Collection boxes will be located in the main lobby of each School, as well as the Support Operations Facility and Administration Building in the district.

When are you collecting? Donations will be accepted starting May 3rd and will continue through May 14th.

Monetary donations: The East Brunswick VFW Post #133 on Cranbury Road will be working with us in taking monetary donations only.

For additional information or larger donations: Please contact Florence Taliercio at DirectorOfSupportStaff@my-ebea.org

July 14th is National Mac and Cheese Day, please help us celebrate by giving as many packages of mac n' cheese as we can!
